Sanborn to Celebrate Reading Month

Senator to Visit Local Schools During March

(LANSING) – State Senate Alan Sanborn, R-Richmond, today announced he will share his enthusiasm for reading and celebrate “March is Reading Month” by visiting local schools to read to students.

“As a father of three, I know the importance of sharing the joy of reading with children and I know how it can impact their lives,” Sanborn said. “I so enjoy visiting classrooms to help reinforce the importance of reading in achieving our goals in life.”

With 20 years experience as a Macomb County probation officer and a member of the state Juvenile Justice Association, Sanborn understands the connection between reading, receiving a quality education and succeeding in life.

Senator Sanborn will visit numerous classrooms in elementary schools across the 11th Senate District on Friday’s throughout the month of March.

If a school is interested in inviting Sanborn to be a guest in their classroom they are asked to contact District Liaison Tiffany Kimble at (586) 493-5792 or (toll-free) 1-888-353-ALAN (2526).
